Working with the Media	36
Communicating with Employees and Investors	41
Educating Policymakers via Grassroots Coalitions	45
Communicating in Foreign Markets	50
Part III: Frequently Asked Questions and Talking Points	55
<u>Developing Countries</u>	
Do U.S. manufacturers who establish facilities abroad typically seek cheap labor, provide poor working conditions and welcome lax environmental laws?	57

Have trade and globalization harmed developing countries or the poor?	60
Is there a relationship between globalization and terrorism?	63
<u>Manufacturing and Jobs</u>	
How is globalization impacting U.S. manufacturing?	65
What change does globalization create in the workforce?	67
Why are manufacturing jobs declining?	69
Is the U.S. economy able to produce new jobs to compensate for those lost in manufacturing?	70
<u>Services</u>	
What impact do service exports have on the economy and jobs?	71
Do service jobs pay poorly?	73
<u>Imports</u>	
Do imports put U.S. jobs at risk?	74
What is the impact of imports on consumers?	76
Do imports hurt U.S. manufacturers?	77
<u>Trade and Investment</u>	
How important is international trade to the U.S. economy?	78
Are workers in trade-related jobs paid less than the average wage?	80
How do U.S. companies that invest abroad or are recipients for foreign direct investment compare with firms not internationally involved?	81

Production Sharing and Sourcing

Do U.S. production sharing operations abroad destroy U.S. jobs?	82
Do other countries engage in production sharing?	84
How has worldwide sourcing changed?	85

Protectionism

What are the costs of protectionism?	87
Does protectionism effectively save jobs in failing industries over the long term?	89
What is the protectionist worst case scenario?	92
How do tariffs and non-tariff barriers operate?	94
How do global trade disputes, which often arise out of an attempt to protect an industry, affect U.S. companies and workers?	96

Free Trade

What are the theoretical benefits of free trade?	98
Do small businesses benefit from free trade?	100
How is free trade different from a custom union or a common market?	101
How did trade liberalization policies give birth to the European Union?	102

International Organizations

How have the World Trade Organization and its predecessor, the General Agreement on Tariffs and Trade, impacted trade?	103
How did the Multifiber Arrangement emerge and what is its impact on textile and apparel?	105

Currency Issues

How does the value of the dollar impact the U.S. economy?	109
How has the value of the dollar fluctuated since the 1970s?	110
Has the weaker dollar slowed U.S. imports?	111
What is the impact of the euro?	112
How did the Mexican peso crisis affect the United States?	114
How did the Asian financial crisis impact the United States?	116

NAFTA

What is the impact of NAFTA on the United States?	117
What were the original objectives and hopes of each NAFTA party?	120
How did NAFTA provide for the elimination of Mexican tariffs on U.S. Goods?	122
How do NAFTA rules of origin operate?	123

New Trade Agreements

What is the impact of the U.S.-Chilean Free Trade Agreement?	125
What is the expectation of the Dominican Republic-Central American Free Trade Agreement?	128
